The ACT is a national college admissions examination that consists of subject area tests in: English, Mathematics, Reading, Science, & Writing (optional). The following items are needed to complete your registration: access to the internet, credit card or fee waiver, high school course list/grades (transcript), career interests, four colleges codes, and headshot photo (jpeg).

If you are interested in attending college, it is recommended that you take the ACT exam at least twice before the completion of high school usually during junior or senior year. The mandatory State ACT for all juniors is scheduled to be administered on March 1, 2022.
